Thanks Ed. Sounds like a good opportunity to continue our dialogue with key community members. Let us check availability on our end and we will let you know.

Subject: Meeting Attendance Request Lane Plating Works - Dallas City Councilman Felder - District 7

Hi there,

I received a phone call from Dallas City Councilman Felder's office to talk about the Lane Plating Works site during his monthly community meeting. The meeting is on November 29, from 6-8 p.m. at the Texas Horse Park. I did not confirm our attendance, just said I would relay it up the chain. Please advise. The councilman's assistant is going to get back to us, but my impressions is they want the same presentation as during the community meeting.

Thanks,

-Ed-
